2. About

Mr. T. R. Immanuel is a faculty member in the Department of Anaesthesia and Operation Theatre Technology, bringing together a strong foundation in clinical sciences, healthcare management, and medico-legal studies. He holds a Bachelor's degree in Anaesthesia and Operation Theatre Technology, along with postgraduate qualifications in Healthcare Management and Medico-Legal Education, complemented by certifications in core allied health subjects.

With a multidisciplinary academic background, he is actively involved in teaching both clinical and legal aspects of healthcare education, ensuring students develop a comprehensive and practice-oriented understanding of their field. Known for his clarity of thought and structured approach to instruction, he is widely appreciated for making complex concepts accessible through effective theoretical and practical integration.

He also serves as a member of the Internship Cell and contributes to institutional quality processes through his role associated with NAAC, reflecting his commitment to academic standards, student development, and professional excellence.
